(YES) That's Great! You are a great citizen! Just give me a minute as I am looking through your files..... Oh my, I see. Um, can you hang on I need to get Carl, my supervisor.

Hi, this is Carl did you know that you used processing,org extensively over the past 4 days? press 5(yes) or 6 (no)

(5 YES) since you are admitting to it, we will be lenient, But <u>Process-</u> ing.org is a problem for you. You will be going to coder prison.

Hello There, I'm Jenny from your NSA, can I take a quick peek in your computer? (enter Y(yes) or N(no))

(NO) This is Carl, you are a real piece of work, you just made Jenny cry, NOW are you going to let us look in your computer or not.

Just type y for YES or n for NO

(6 NO) We find this hard to believe as the seems to be a lot of CODE on your computer. I'm sorry but you will be going to the coder prisoner.

(YES) OK, I'm glad you had a change of heart. Please give me a minute.... We knew it! Did you know that you used processing,org extensively over the past 4 days?"
just press 3 for YES and 4 for NO

(4 NO) OK no problem, but we looked into it anyway, and guess what? You will be going to the coder prisoner!

(3 YES) since you are admitting to it, we will be lenient, But Processing.org is a problem for you. Can you come to our office in New York to turn yourself in for coder prison.
